B04-BLAIR

On the Midway

A lot of folks romanticize the carny life.

Dumb asses, every last one. And I should know. I've been working for Fulton Amusements all of six months, plenty of time to formulate an accurate assessment of the profession.

Total shit.

Being on the road is the worst. I don't have a permanent residence, my life an endless chain of cheap motel rooms. I can't even remember the last time I ate a wholesome homecooked meal. Mine is a dizzying existence, you bet. Always on the move, hopping from city to city, town to town, no time to even catch my breath. Of course, I'm lucky to have a job at all. Most employers aren't too keen on hiring an ex-con. In and out of the joint since the age of eighteen, I'm hardly what the bosses of the world are looking for.

Drug possession. Burglary. Armed Robbery. Guilty as charged. Still, I served my time, paid my debt to society. These days I'm living one day at a time and trying to turn my life around, trying to hold on to this crappy carny job without losing my mind. Booze helps, booze and dope and the occasional roll in the hay with a coworker or fairgoer.

Tonight I lucked into the latter, wooing some hometown harlot by deliberately undershooting her weight.

Now Crystal was putty in my hands, especially after we shared a pint of gin and a fat jay. The motel bed wasn't the best, but I had definitely experienced worse. The same could be said of Crystal.

She was on the plump side, her tits smaller than I preferred, her teeth moderately crooked. Still, I had to give her an A for effort. She tried really hard, and that in itself was a major turn on.

I lay there on the lumpy mattress, my head propped on a pillow, watching her dirty blonde ringlets bob in my lap as she glided her lips up and down my turgid shaft. Hunched over my waist like she was, Crystal's full-figured flank was on full display—flabby tummy, chunky thighs, big round hips and ass.

I had guessed her weight at 175, knowing full well that she would tip my scale in the ballpark of 190. Of course, I had acted surprised after she stepped on the platform and the needle hit 192. "No way," I had said. "You don't look it."

Thanking the stars above for my above average acting skills, I regarded Crystal's plunging head with increasing excitement. She was really getting after it, moaning and groaning as she shellacked my schlong with everything she had. Going the extra mile, as it were. I had found this to

be the case with most plus-size women. In compensation for their lack of physical attractiveness, they tend to go all out in the bedroom, doing damn near anything to please their partners.

This was certainly the case with Crystal who proceeded to lick my ballbag in exaggerated fashion. Meanwhile, having grasped my cock with her hand, she stroked me good and proper. Her tongue on my nuts felt wonderful, evidenced by the increasing rigidity of my rod which she pumped like a cistern.

Things continued in this manner until she came up for a breather. Still tugging my tool, she wiped her mouth with the back of her other hand then started to go down on me once again.

I stopped her, communicating my desire to fuck by sitting up and rolling on top of her. Crystal was warm and soft and yielding. Her ample body provided much cushioning. I pounded her with a frenetic, piston-like motion. The slapping of fornicating flesh and flab reverberated off the walls, competing with the loudly squeaking mattress for dominance . . .

Banging Crystal missionary style was loads of fun, but I was ready to get behind that big ass of hers and do her doggy. She was all for it, assuming the position after I pulled out and climbed off. Her colossal caboose was really something to behold, white and wide and dimpled with cellulite. Some men would have found it repulsive, I'm sure, but not me. My time in the joint had made me appreciate things that most men take for granted. Fat sex, I knew, was far better than no sex . . .

I put this theory to practice by hammering Crystal from behind. Knees pressed to the comforter, hands holding her hefty hips, I thrust repeatedly. Her ass jiggled like a bowl of Jello. The excess padding made her impervious to even the most punishing pounding, which I administered without mercy. I gave no quarter, banging her juicy box with my absolute best. Crystal took it like a champion. She came seconds before I withdrew and dumped my load all over her bountiful bum.

Sated and spent, I remained in bed and smoked a cigarette while she padded to the bathroom. I heard the toilet flush, the running of the sink. She emerged and hastened into her bra and panties. I hadn't told her about my criminal history, but I'm sure she knew. Crystal was no debutante. My prison tattoos gave me away. Still, she didn't broach the subject.

She did, however, rejoin me in bed and fire up a cigarette of her own. Not much of a conversationalist, I let her do most of the talking. She hated her dull clerical job at the hospital, hated her ex-husband, hated her uppity sister who had hit the jackpot by marrying a dentist.

Cigarette jutting from my mouth, I regarded her with mild annoyance. "What don't you hate?"

A handful of silent seconds elapsed before she exclaimed, "Ferris wheels!"

I thought she was just being cute. But no. Crystal was dead serious. She loved Ferris wheels, so much so that she had ridden ours three times before I had tried to guess her weight.

"How was it?"

"It was okay."

"Just okay?"

"It would have been a lot more fun if I hadn't been alone. I felt like a loser," she explained, shaking her head in dismay. "Sitting there all by myself, surrounded by all these happy couples . . ."

I was starting to feel like her therapist. Call me an asshole, but I was ready for her to leave. It had been a long day and even longer night. Come tomorrow, I had to get up and do it all over again. I needed my beauty rest.

But Crystal wouldn't shut up. Shit, I thought, no wonder her husband had filed for divorce. She must've driven him insane with her maddening motormouth.

I dumped my cigarette in an empty pop can on the night table. Then I reached for the phone to schedule my wakeup call for the morning. No sooner had I plucked the receiver from its cradle than Crystal dropped a bombshell. She wanted to go for an after hours ride on the Ferris wheel.

"Just the two of us," she continued. "It'll be awesome. We'll have the whole fair to ourselves . . ."

"No can do."

"Why not?"

"I could lose my job."

"Who's gonna' know?"

"Monty," I stated bluntly.

She frowned. "Who in the hell is Monty?"

"Night watchman. A damn good one, too. He doesn't miss a trick."

Crystal was nothing if not determined to get her way. Refusing to take no for an answer, she pestered me mercilessly until I capitulated. Of course, I had absolutely no intention of actually getting on that damn Ferris wheel with her. Instead, I had a clever plan to get her out of my hair while squaring my debt with Monty. He was the nightwatchman, yeah, but he was also a dope slinger who had recently loaned me half an ounce with interest. Crystal was my ticket to financial freedom.

It was easier to walk from the nearby motel than take

her car, so that's what we did. A padlocked gate posed no problem as I employed my trusty lockpick. What can I say? Old habits die hard. Crystal was impressed. The midway, darkened and empty, was eerie at this hour. The lingering odor of deep fat fried funnel cakes rode the unseasonably mild air, this and the stench of cow shit from the livestock pavilion.

Monty wasn't hard to find, nor was he particularly happy to see me. "You're not supposed to be—"

"Relax," I cut him off.

He eyed us warily. "You got my money?"

"I've got something better."

Monty was all smiles after I related my proposal. An indignant Crystal said, "I can't believe this." She regarded me balefully. "You expect me to suck his dick? I don't even know this clown . . ."

"You don't know me either," I told her.

"What kind of girl do you think I am?"

I looked at Monty. "Show her, dude."

Monty unzipped his workpants and whipped out his big black cock. Crystal changed her tune. She gaped, her eyes widening as she peered at the night watchman's massive member. Her coy smile confirmed my suspicions. She liked dark meat.

"We square?" I asked Monty.

"Yeah, man. We're good."

"Great," I said. "You two have fun."

I walked back to the motel, took a long shower and went to bed. I awoke in the morning to some asshole banging on my door. The asshole turned out to be Roy Higgins. Roy operated the Himalaya, one of our most popular attractions. He stood there framed in the doorway, his already gaunt features drained of color. He looked like one of the mechanical ghouls from the spook house.

"You ain't gonna' believe this shit," he told me.

Roy was right. I didn't believe a word of his story about a freak accident claiming Monty and an unidentified woman. Not until he barged inside, hastened to the window, and drew back the curtain. My vantagepoint afforded me a decent view of the tallest rides on the midway. I felt sick when I trained my peepers on the Ferris wheel. The uppermost gondola was missing; in its place, nothing but sheared metal and empty space. My legs felt wobbly and weak. I had to sit on the bed.

"Mechanical failure." Roy sighed wearily; he ran a bony hand through his thinning hair. "The timing couldn't have been worse. They were at the very top when the damn thing gave way."

"How tall is that fucker?"

"150 ft."

"Damn."

I felt awful. Having orchestrated the whole thing, I was partly to blame. Still, there was a bright side to the tragedy. I'm sure Monty had died with a smile on his face. And Crystal with a big black cock in her mouth.

Help From a Moving Company

After months of searching, I finally found the perfect place in a new city to move into. It was exactly the kind of fresh start I was looking for. I'd hired a moving company to make things simpler for myself, and the two men who had helped me by carrying my furniture in-

had well defined muscles straining against their clothes.

"Alright, ma'am, we're all done," Leon said, handing me a clipboard. "Just need you to sign here to confirm the job is complete."

My eyes scanned over the paperwork before I signed along the bottom line. I wasn't usually so forward, but it seemed I'd run out of time to be coy. "Thank you so much for all your help today! You two are incredibly strong," I winked. Handing the clipboard back, I stretched along the doorframe. "You know, I should really be breaking in my new couch. It's nice leather but it's stiff from being in storage. Would you two be willing to help me test it out?" I swept my tongue across my bottom lip for a split second to really get my point across.

The two men exchanged glances, their professional demeanor wavering. They had clearly heard the invitation in my voice. "Uh, we should really get going, miss," Marcus said, "there's another job across the city we need to get to." I waved them goodbye, only to hear a knock on my door again a couple minutes later.

"I knew you'd change your minds," I opened the door with a grin. Both men had trouble concealing their erections. With the

side the apartment were finishing up. There was Leon, tall with sandy blonde hair and the kind of smile that brought butterflies to my stomach. And then there was Marcus, only an inch shorter than Leon with a black buzzcut and an intense stare that I felt brush along my rear earlier. Both men bore a tan and

door closed behind them, I knelt in between Leon and Marcus. Both hands on either man, stroking them through their pants. "Why don't you both get a little more comfortable for me, first?" Leon seemed the most eager, since he was the first out of his pants, cock bobbing right in front of me. It was short but thick and difficult for me to fully wrap my hand around. I took it into my mouth while I stroked Marcus' shaft. Marcus had a long cock that was already leaking precum all over the rings on my fingers.

I sucked hard, my tongue swirling around the sensitive head as I bobbed up and down Leon's dick. The taste of him made my pussy ache with need. When I pulled off his cock I let out a wet pop and saw my saliva drip off his tip onto the hardwood below. "Mmm, you taste so good," I turned my attention to Marcus. Doing the same for him, I slathered both cocks in a thin layer of spit by the time I was wet and ready for more. My hands stroked what my mouth couldn't take.

"Fuck, I need to be inside you," Leon's voice said above me. I stood up and led them over to the couch, bending over the armrest and presenting myself.

"Go ahead." I was buzzing with anticipation. Leon positioned himself behind me, spreading apart my cheeks so he could aim his dick at my entrance.

"God, you're so fucking wet," he said, then slowly pushed inside me. Crying out, my pussy clenched around him. Welcoming him. Meanwhile, Marcus stepped in front of me, kneeling on the couch to keep his cock at face level for me. He was still slick with my spit as I wrapped my lips back around it and let him thrust into my mouth.

Marcus set a steady rhythm, keeping his movements small and shallow since Leon's thrusts

pushed me forward anyway. His thick cock stretched me perfectly as he pistoned in and out of my cunt. "Fuck, you feel amazing," he gripped my waist. I tried hard not to choke while I moaned around Marcus, the vibrations made him mad with lust.

"I can't hold back anymore!" Marcus warned. He pulled out and thick globs of cum smacked my face. Landing some in my hair, he tried pointing it down so that a majority ran down from my forehead towards my lips. I stuck out my tongue to catch any strays and

before he was panting out a warning of his own. Not a second too soon, Leon finally pulled out and finished all over my ass. Ropes of cum spread across my skin and dripped down onto the leather below. I looked between the two men with a satisfied smile. After we finished having our fun, I waved them goodbye for a second time without even bothering to wipe off their marks on me. I'm hoping none of my new neighbors saw us. I knew that I'd enjoy my time living there nonetheless.

to get a taste of his sweet essence. Behind me, Leon watched without slowing down the movement of his hips. Seeing me turn to look at him must've been quite a sight, because his pace got uneven right after that.

Leon's thrusts turned frantic as he chased his release. It wasn't long
